

# Global Positioning System (GPS) Units

Check out a set of Garmin GPS units for a number of different activities! Past uses include GeoCaching, establishing EarthCaches, and mapping invasive and/or native plant populations.

## Kit Contents

- 14 Garmin GPS units (11 Etrex 10 units, 3 Etrex "H" units)
- Instruction manual for each model
- Rechargeable batteries for each unit
- Cable for each model to download data
