

Northeast Michigan Great Lakes Stewardship Initiative

Expanding Classrooms. Strengthening Communities.

Place-based Education Programming

What does it cost?

\$30/
student

Supports one student in a fully engaged PBE education activity, including training and support we provide for that teacher.

\$100/
classroom
bus-trip

Supports student travel on a project field trip. \$100 is also the average cost for a substitute teacher each day.

\$250/
teacher
training

Supports one teacher by covering costs of attending a professional development activity.

\$500/
classroom
cruise

Supports a class or two (65 students) on the glass bottom boat *Lady Michigan* for water quality education training on Lake Huron.

\$1500/
class sponsor
for a year

Supports average cost to support a PBE project with a typical class in one year for a classroom.
